Senator Holland Says:

## Vegetable - Sugarcane Growers - Cattlemen Invited To Water Hearings

Louisiana Cane Growers Visit Glades

Members of the American Sugarcane League from Louisiana are on their annual visit to the Glades sugarcane operations, and are being entertained by growers of the area.

L. to R. Lloyd Linder, Agronomist of the League, Dudley May, L. C. Schenck, Lessor Gravel, Moss Hymel, Nelson Fairbanks, Economist for the League and Francis Gavin, Bill Miller, Manager, and Bob Lee, Personal Director of the Glades Sugar House at Belle Glade.

The party of about forty were entertained at Clewiston by growers of that area Tuesday night, and Bob Lee took over for the rest of the day. A visit to fields in this area, and to the Atlantic Sugar Mill was made Wednesday afternoon, following a catfish lunch at the Palm Club. Wednesday night the visitors were dined at the Royal Palm Inn as guests of local growers.

## Bonding Co. Alerted

Acting on the direction of the City Commission, City Manager Hugely has notified the bonding company for Schwab Bros., who hold a contract with the City for sewer lines, to intercede and perform under it's bond.

"Schwab, the contractors, have not performed, nor have they given any consideration to the Engineers on the job, nor the City," reports the City Manager.

The background of the present case is that one of the contractors, "Give-away" department, demanded that the contract be given to the low bidder, in this case, Schwab. The City, after its engineer's study and report, and on its own investigation, wanted to give the contract to the second low bidder. "If you want the grant of \$104,730, give it to the low bidder."

What could more forcibly illustrate the "sour milk" deal when "eating at the public trough" becomes a mode of our living?

Anyhow, our sewer improvements are further delayed through the non-performance of a choice of the Bureaucrats in or under, Central Government!

## Offshore Laborers Peeved Arsonists

A group of Barbadians who had been assembled in the Belle Glade jail awaiting deportation to their homes, set fire to a mattress in the detention cell Tuesday afternoon.

When the arson was committed the Border Patrol was alerted. The Police Station going through the ceremony of taking them over for transportation to a port of debarkation.

The incident in itself is not major, but is apparently a part of a mental attitude of offshore laborers concerning the police and the public in general.

In a telegram to THE HERALD Wednesday morning, Senator Holland advised that he has "received assurances from the Corps of Engineers and the Senate Public Works Committee" that vegetable growers, sugarcane growers and cattlemen are "invited to be present or represented at the hearings and to offer pertinent factual testimony and supporting data as their requirements" of fresh water.

There has been some confusion, with a reason, about the entire area of 18 counties in the Central and South Florida Flood Control District, and more specifically, "the agricultural area around Lake Okeechobee."

"The Man" has spoke, and where he speaks, it COUNTS.

There remains the job of ALL interested within the C & SF FCD to place in the public records, WHY they need Lake Okeechobee fresh water. A "Me Too" statement might find "Me" left out.

Luther Jones, Chairman of the Florida State Chamber of Commerce Flood and Water Resources Committee, under direction of The Chamber, will appear at the hearings and offer testimony in behalf of the Chamber.

A called special meeting of his Committee is scheduled at the Clewiston Inn, Monday, January 18th to consider coordination of interests at the hearings. It is expected that a score or more of committee members in South Florida will appear at the meeting.

The following is Senator Holland's message:

"I have received assurances from both the Corps of Engineers and the Senate Public Works Committee that a series of three upcoming public hearings relating to water needs of

Everglades National Park has been broadened in scope to permit testimony concerning water needs of all interests served by the Central and Southern Florida Flood Control Basin.

The expansion of the subject matter in these hearings will be of particular usefulness to agricultural and cattle interests in Florida. Although originally planned to explore the future water needs of Everglades National Park, at my request the hearings have been broadened so as to serve all users.

They are expected to be of particular assistance to vegetable and sugarcane growers and cattlemen who will be permitted to make full statements of water needs which must be met in the future.

All interested parties are invited to be present or represented at the hearings and to offer pertinent factual testimony and supporting data as to their requirements.

All hearings will commence at 10:00 A. M. EST at following locations: January 18, Miami — 10th Floor County Commission Room, Dade County Courthouse; January 20, Clewiston — Sugarland Park Auditorium; January 21, West Palm Beach, Flood Control District Auditorium.

## New Garbage Equipment Inspected

Mayor Leffron Williams and City Manager Tevis Hugely inspected the two new Garbage collecting units purchased by the City of Belle Glade. The units were delivered by the South Florida Sanitation Co., who hold the contract for collection of refuse - garbage and trash - for the City of Belle Glade.

"After Manager Hugely researched and studied the activities of other cities, both larger and of approximately the same size as our City, concerning garbage, the Commission decided to contract the collecting and hauling away of the City's garbage," said Mayor Williams.

## A Change in Administration

Florida's 33rd Governor, Haydon Burns, took the oath of office for a two year term last week. This unique situation was brought about by a change in the constitution requiring Florida's governors of the future elected in the middle of the presidential terms. This will not make the next two years for Haydon Burns or the business of the state. As a declared candidate to seek re-election in

## Kickoff Coffee To Launch Glades Hospital Drive

Members of the Glades General Hospital Women's Auxiliary discussed plans for the Annual Drive for funds for the hospital at a meeting and potluck luncheon held at the home of Mrs. O. G. McWhorter Tuesday.

Mrs. J. Allen Baker, president, presided during the business session. The group planned for a kickoff coffee, Friday, Jan. 15 to launch the Annual fund drive, at 10 a. m. at the home of Mrs. Roy Brown 700 West Canal St., South.

Anyone interested in joining or helping The Women's Auxiliary in this drive are invited to attend the coffee.

Mrs. Baker announced the Auxiliary had received a plaque of membership in the Florida State Hospital Auxiliaries. It was voted and approved at the convention.

Forty-seven members were present.

two years many problems facing the state may well face delay because of political necessity.

Changing administrations in Tallahassee today is far different than in the old days. The transition of government is smooth and outside the festivities such as a parade and other inaugural ceremonies, activity in the various state government offices was business as usual. At one time a mass movement of people took place with railroads and bus stations crowded as new job seekers arrived and old administration employees departed. Most of our state agencies today are under the merit system with job security and only the heads of the agencies are subject to removal. This has made for a more stable government with career employees concentrating on doing their jobs without fear of removal.

Burns faces many problems in becoming head of our state government, most of which can be summed up in one word, "money" or lack of it. State agencies have submitted budget requests totaling a billion and one half dollars for the next two years as compared with the 1963-65 budget of about one billion. Over sixty percent of these increases will be for our educational system, both grades one to 12 and the state universities. Well over 100,000 Florida students will be seeking admittance to a state university by 1970. The state has embarked on an ambitious expansion of our system of higher education, and this chal-

## Jaycees' 12 Yrs. Successful Community Effort

Organized and chartered on October 22, 1953, with a membership of 52, the same year the Belle Glade Jaycees elected Bobby Newman as its first President.

Within a month's time membership had grown to 71, and the first participation in local efforts was the PTA Carnival.

By Christmas time the Jaycees in Belle Glade had succeeded in securing seats in the City Parks and had brought them to town.

In the Spring of '54 the First Harvest Queen Contest was held in conjunction with the Everglades Fair, under the Chairmanship of Charles Greer. Delores Abbott was named

the first Harvest Queen.

Under Leffron Williams' presidency during '55-56, the Jaycees interest in community affairs continued active. Larry Royal and Byron Smith were elected chairman of the Harvest Contest with Miss Mary Belle Schenck as Queen.

Byron Smith was the next president of the Belle Glade Jaycees. It was in this year that the Belle Glade Jaycees instituted its annual \$1,000.00 scholarship to be given to a high school senior to attend college. The first scholarship was given to Leo James. The Harvest Queen Contest was chairmanship by John Kinler.

and Miss Martha Gail Ammons was the Harvest Queen. Among prizes was a trip to New York.

In 1957, George Rasmley was elected President. This was the year that the Belle Glade Jaycees instituted the "Walk or the Green" project for a safety program around school ground areas. This year, the Harvest Queen Contest chairman was Bill Bailey, and the first big name band was brought to Belle Glade by Bill and this was Art Mooney. Miss Jeanette Bus was the Harvest Queen winner for 1958.

In 1958-59, R. H. (Hoch) Cooper was elected president. (Continued On Page 6A.)

## Monday Last Day To Reserve Tags

Monday, January 18, is the last day that 1965 auto tags can be reserved, tax collector Mrs. Edwin Young announced Wednesday.

"More local automobile owners have taken advantage of this service for 1965 tags than in years past," Mrs. Young said. To date 147 reserve applications have been processed with 14 more cleared and pending payment.

Telephone numbers are the most popular numbers asked for. Owners find the convenience of being able to remember their tag number, which must be paid with the entire cost of the tag on reservation.

Tag prices will be 5c higher this year to cover cost if it. Luminous paint of tag numerals, 1965 tags go on sale Monday, February 1, at the Tax Collector's office in the Glades Office Building on Hwy. 441, opposite the Livestock Market.

Times has not been extended, so 1964 tags were purchased for 13 months, 1965 tags will again be purchased for 13 months, with renewal date in 1966 on March 1. It is suggested for extension, and to avoid the rush.

Prices for 1965 tags are — D-tags (up to 2500 pounds) \$14.09; Plain Tags (2501 to 3500 lbs) \$20.22; W-tags (3500 to 4500 lbs) \$30.34; W-tags (over 4501 pounds) \$38.47.

## Homestead Exempt. Apps. At City Hall Jan. 26, '65

City Tax Assessor Renee Lee has announced the cooperation of Assessor Maxwell's office for the benefit of local homeowners who wish to make application for exemption from the City of Belle Glade.

A representative from Mr. Maxwell's office will be at the City Hall on January 26th from 10:00 A. M. 'til 2 P. M.

Both county and City may be taken care of at the same time.

## Golf Clubhouse Will Be Lensed

The City Commission, Monday night, instructed the City Manager and the City Attorney to prepare and submit to the Commission, for consideration and probable action, specifications to accompany an advertisement for bids on the operation of the Clubhouse at the golf course.

Since the City has remodelled the Clubhouse and renovated the greens and fairways at the course, the matter has been under consideration by the Commission, and this action pointed the general agreement as to the best manner in which to handle the matter.

Mr. Hugely reports that he and the City Attorney are formulating the specifications and requirements and will present it to the Commission in the very near future.

The kitchen and diningroom facilities at the Clubhouse are very attractive for group meals and meetings.

## Rep. Roberts Asks Safety And Tax Study Of Itinerant Peddlers On Hwy. Right-Of-Way

Pete McClellan, President of the Chamber of Commerce discussed with Representative Emmett Roberts the undesirable use of State Highway right-of-way by itinerant peddlers, particularly opposite the entrance to the Florida Sugar Co. Mill.

Mr. Roberts reports that he contacted the Area Captain of the Highway Patrol and the office of Comptroller Green concerning the hazard to safety by conditions pictured above, and concerning the reported non-collection of state sales tax.

"I am sure," says Mr. Roberts, that some action will have been evident by the time this story is printed in THE HERALD.

"It's potentially unfair, to allow these 'imports' to use Highway property, without proper taxes and licenses that our own merchants pay."

"Something must, and will be done to stop, or at least hamper, these leeches on community well-being."

Tropical "birds" from the islands of the Caribbean flock across the road to meet, greet and buy from the vendors and the lower east coast.

Whatever the Bahamas the Associates or other imported laborer might wish — or what over the "Vendor" THINKS he might go for — well, that's what he can get from the trunk of an automobile, parked on State Highway property.

We learn from reliable sources that the peddlers have a State and/or County license, that one of the selling arguments to the off-shore laborer in "We don't make you pay tax (it is implied state sales tax, but the stores in town do — Why pay the tax?"

As you can see in the picture, umbrellas, televisions as well as clothing are offered.

## Woman's Club

### Members Work

#### With TB X-ray Unit

The Woman's Club of Belle Glade met in regular session last Thursday at the Civic Center, with Mrs. William B. Rhodes, president, presiding. Mrs. William Greiner, chairman of the Public Affairs Committee, announced the date for the TB X-ray unit in this area. She asked for volunteers to work with her in this important project. This is one of the main service projects for the Club during the year.

Mrs. Rhodes appointed Mrs. Dick Poston, Mrs. Frank Dooley, and Mrs. Marie Breger to serve on the nominating committee. A slate of officers is to be presented at the last meeting in February and the elections of officers for 1955-56 will take place at this time.

At the January 21 meeting of the Woman's Club, Mrs. Bernice Roemer, chairman, of International Affairs Committee, announced that the program would feature two Far East countries. Mrs. Ruth Wedgworth and Mrs. Edith Freedlund presented the program and show slides.

Mrs. Ed Lively, presented a most interesting program about the business session, reviewing the book "The Late Lady" by Gertrud De Hanna.

Refreshments were served at the close of the meeting to 50 members and their guests. Hostesses for the afternoon were Mrs. J. L. Freedlund, Mrs. M. Gaskell, Mrs. J. L. Murphy, and Mrs. Louis Ruff.

## PBC Federation Of Women's Clubs

### Convenes in Belle Glade Today

The Woman's Club of Belle Glade is host today to the Palm Beach County Federation of Women's Clubs. Registration is at 9:30 a. m. at St. John the Apostle Episcopal Church.

Mrs. William B. Rhodes, president of the club, announced that from 75 to 100 delegates are expected to attend from the 18 clubs throughout the county.

Following registration a Board meeting is slated at 10 a. m. along with the business session.

Mrs. Sam Knight is in charge of luncheon arrangements. Mrs. J. M. Uweil, Mrs. Francis Harris and Mrs. Ben Painter, registration and reservations at the door. Mrs. E. D. Harris, decoration and flower committee. Mrs. A. B. DeGraw, publicity.

The luncheon at the Civic Center at noon will be followed by a tour of the Glades Sugar House at 2 p. m.

## Thirty Attend Back To School Party

To keep in the spirit of the holidays, Flanders Buss, Caroline and Gail-Margaret, gave a back to school party.

To help these girls to celebrate their joy in going back to school were the following: Pam Motes, Leon Kelson, Georgiana and Della Davis, Diane Brown, Cheryl Busbin, Jean Maxham, Rayette Hutto, Sherry Smith, Susan Wells, Laura Armstrong, Doug Murray, Jerry Folsen, Jerry Cousen, Jerry

Barbree, Wayne Courson, Marion McMullan, Keith Cook, Ralph Lopez, Jim Urwin, Paul Prescott, Barry Graber, Dicky Snow, Ronnie Hilver, Ricky Miller, Jay Baker, Jimmy Minney, George Maibis, Wayne Walker, Mike Lovell.

The party was at the Belle Glade Municipal Park with Mrs. Russell Buss and Mrs. Ron Cameron as chaperones.

## Bill Glad Personal Notes

Mrs. Russell Tucker, who had major surgery last Tuesday at Good Samaritan Hospital, West Palm Beach came home Wednesday. Her daughter, Mrs. Terry Marts left Sunday to return to Tallahassee after being here during her mother's hospitalization.

Mrs. Richard Yount Roemer is visiting her parents, Mr. and Mrs. Winola Mirez of West Point, Nebraska.

Recent guests at the home of Mr. and Mrs. R. L. Murray, Sr. were their son Mr. Jack Murray and children Deborah and David, from Beaumont, Texas.

Mrs. Lois Ruff and son, Charles have returned from Logan.

## Mrs. Sue Kaufman

### Flies To New York

Mrs. Jack Kaufman left by plane from West Palm Beach Wednesday for New York City where she was called by the serious illness of her sister, Mrs. Livia Ruff. The sister has been hospitalized since Christmas with pneumonia and Mrs. Kaufman learned Tuesday night that her condition had become critical. She hoped she might be able to bring her sister back with her to absorb some of Florida's sunshine.

## Dr. Carson To Speak

### At Chosen Baptist

Rev. McLeod, minister at the Chosen Missionary Baptist Church announces a guest speaker for the Sunday A. M. service at 11 o'clock.

Dr. Albert Garver will be the speaker. Dr. Garver is president of the Florida Baptist Institute, Lakeland, also Editor of the Baptist Anchor, and is the author of several books.

Dinner will be served at the noon hour.

Everyone is cordially invited to come out and hear Dr. Garver.

## Nazarene Church

### Revival Services

Rev. Charles W. Powell

Rev. Charles W. Powell, evangelist, will conduct Revival services at the Belle Glade Church of the Nazarene, 16 N. W. Ave. D, January 18-21.

The public is cordially invited by Rev. Ora R. Smith, pastor to attend the 7:45 p. m. services.

The evangelist, Rev. Powell is now devoting full time to the work of evangelism in the Church of the Nazarene. Mr. Powell began his ministry in 1925 as pastor of a church in St. Petersburg and continued in this work until 1944. He is a preacher, youth worker and a baritone singer. His greatest concern is the salvation of men, women, boys and girls. God has blessed his ministry in youth rallies, conventions, and revivals.

Traveling with Rev. Powell is his wife, Vickie, who plays the piano and organ, and also assists her husband in duties.

Mrs. William Thiebaut and Mr. and Mrs. Mathis in Lake Harbor, Mrs. Glenn Harvey have arrived here for the late winter and spring produce season, coming from their home in Kalamazoo, Michigan. They also have a home here at 405 N. E. First St.

# GLADES CHURCH NEWS.....

## A Thought From The Bible

### Increase In Violence Calls For Action

By Lewis Dellwelyn

"Thus saith the Lord . . . Do no wrong, do no violence to the stranger, the fatherless, nor the widow, neither shed innocent blood in this place."

Violence is so much a part of everyday American life that we are no longer startled by it. We see it constantly on the television tube, read of it every day in the newspapers, hear of it continually in radio news reports — so we almost fail to recognize that it is not a normal part of civilized life.

Last month, a group of sociologists, psychologists, and men who are interested in law-en-

forcement met at Brandeis University to discuss the phenomenon of increasing violence in American life. They decided that violence has become so widespread and significant a feature of life in this country that the university should set up an institute to study it — and how to bring it under control.

While violence is by no means confined to the younger generation, FBI reports show conclusively that crime and delinquency are increasing most rapidly among young people. This trend in the nation must be reversed before it reaches much larger proportions. The rate of increase to juvenile delinquency is alarmingly steep. What is the answer? Control measures must, of course, be maintained and improved. But at best, this is a negative approach.

Cure rather than control should be our objective. And the cure for this malady is in the human heart.

The spiritual life of our nation needs to be revived. We need to become more concerned about what God wants us to do than we are about the purely material aspects of life.

Many years ago, a prophet diagnosed the life of his country in these words: "The whole head is sick and the whole heart faint." This diagnosis came perilously near to describing the spiritual condition of many people in our beloved nation — if not of the nation itself.

The way out of many of our troubles, in the domestic and international areas, is the way back to God. We need, as a nation, to return to the principles that led us to greatness. The starting point is to begin again to acknowledge our dependence upon God and to seek to know and to do His will. Then we will be on the way to finding satisfactory answers to some of the perplexing problems which beset us.

Taxpayers checking U. S. Savings Bond refund lines on the 1964 tax forms (1040 or 1040A) automatically assure themselves of two advantages: An easy method of holding on to their tax-refund dollars, a sure way of making them grow one-third larger at Bond's maturity.

## Emory's Oxford College Sets Conference Friday For Students, Parents

Dr. Dallas M. Tarkenton, Director of Admissions at Oxford College of Emory University, will conduct a conference at First Methodist Church in West Palm Beach on January 15, 1965 at 7 & 8:15 p. m. for students and their parents. Oxford College of Emory University was formerly Emory at Oxford.

Emory University's Oxford College is located on the original campus at Oxford, Georgia just 35 miles from the Emory's Atlanta campus, on Interstate 76.

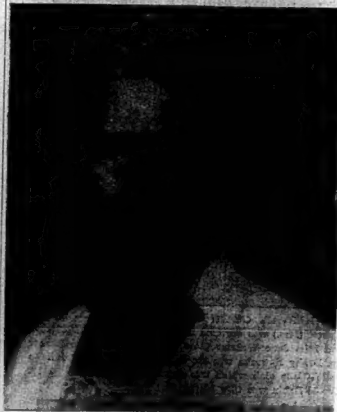

The Oxford College of Emory provides the first two years of any program in Emory University. Upon satisfactory completion of the first two years at Oxford College, the student automatically joins the junior class on Emory's Atlanta campus. Students may also transfer to universities other than Emory.

In conducting these conferences in Jacksonville, Orlando, West Palm Beach, Miami, Tampa, and Tallahassee, Emory's Oxford College seeks to provide parents and prospective students information on the programs of academic excellence available on the Oxford campus of Emory University.

Two conference periods will be scheduled at 7 and 8:15 p. m. Each conference period will be arranged in three phases. Dr. Tarkenton will lecture for the first thirty minutes, he will conduct an open forum for fifteen minutes, and he will devote the last fifteen minutes to personal contacts. Mrs. Tarkenton will also be available for personal contacts during the personal interview.

Emory provides this unique opportunity for high school students seriously interested in college, and their parents, to make personal contact with the college representative, Dr. Tarkenton.

## Called To Ministry

MRS. JOHN A. DULANY

Mrs. John A. Dulany, who has aspired to become an ordained minister, attained the first step toward her goal at the Sunday, a. m. Services, Jan. 16 at Community Methodist church, Belle Glade.

The ceremony consisted of laying on of hands by Rev. W. R. Boland, pastor, followed by the presentation of a local preacher's license of the Methodist church, and license to preach the gospel.

A part of the worship service was devoted to the presentation with the Chancel Choir singing the Anthem "I Walked Today Where Jesus Walked." Rev. Boland's sermon "The Call to Preach" and the Service of Dedication to the Christian Ministry.

Standing with Mrs. Dulany at the altar were her mother, Mrs. Calvin A. Shive, Pakokee, and her husband, John A. Dulany. The altar was decorated with red carnations in honor of Mrs. Shive's 84th birthday. The flowers were given by her family, consisting of Mrs. Dulany, Mrs. Dan Carpenter, Mrs. Duncan Faggett and Mrs. Ralph C. Grimes all of Pakokee.

Following church services a family dinner was held at the Civic Center with 45 attending. The dinner, an annual event honored Mrs. Shive. Special guests were Rev. and Mrs. W. R. Boland and George, Rev. and Mrs. John Britly and daughter, Pakokee, Rev. and Mrs. Guthrie W. Colvard also of Pakokee.

## Train Up A Child

Solomon said, "Train up a child in the way he should go, and when he is old he will not depart from it." (Proverbs 22: 6).

1. Make a home a bright, attractive place.
2. Give a child responsibility in the home.
3. Punish never in anger but in love.
4. Teach him that service and honesty are more important than making money.
5. Live Christ before him so you will be able to teach Christ to him.
6. Let him see your enjoyment of Bible study.
7. Set an example of faithful church attendance, interest in the work, prayer and praise, worship and sacrifice, and Godly living.
8. Pray for his salvation and spiritual growth.

The Belle Glade Church of Christ, 125 N. W. Avenue D, is willing to assist in the spiritual development of your family. Start the new year right by

## TODAY'S meditation

**THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE.**

Read Psalm 103:1-8

Let not your heart be troubled: ye believe in God, believe also in me.  
—John 14:1

In these words our Master is saying to us today, as He did to those gathered in the upper room nearly two thousand years ago, that the universe is in the hands of the Heavenly Father. Life is not easy, but in the hardest hour God will not let us down if we have faith in Him. This is Jesus' answer to life's ultimate questions. These words of His have stilled more grief and steadied more souls in time of trial than any others ever spoken.

We must never forget that we belong to God. There is no closer relationship than belonging. We must bear in mind also that we belong to one who never breaks His word. In His word of assurance, our heavenly Father means what He says.

As we sorrow, God is there ready to comfort and strengthen us. As we become involved in perplexing problems. He is there wanting us to place ourselves and our situation before Him. God never lets us get out of His sight. Together with Him, we think, feel, love and decide.

PRAYER: O God, our Creator and our heavenly Father who art always by our side, we thank Thee for this relationship and close companionship. We seek Thy grace this day to overcome our frailties: through Christ our Lord, Amen.

### THOUGHT FOR THE DAY

Life is not easy, but in the hardest hour God will not let us down.  
Polly Garriss (Texas)

## Lutheran Church News

### Sermon Topic

The sermon topic for Sunday, January, the 17th, at St. Peter's Lutheran Church, Belle Glade is "The Temptation of Jesus in the Wilderness," Matthew 4:1-11. Service 10:30 a. m. Sunday School and Bible Class 9:15 a. m.

### Received Into Membership

Mr. and Mrs. William Holmes and family of Clewiston were received into communion membership Sunday, January, the 10th, at St. Peter's Lutheran Church of Belle Glade.

This raises the membership at St. Peter's Lutheran Church to 94 baptized members, and 38 communion members. All those who do not have a Church Home of their own are invited to worship with us at 10:30 each Sunday morning.

Nancy's lonely. Nobody bothers with her much these days. Mommy's always and upset. And when Daddy's home, the quarreling and shouting make Nancy so frightened that she hides. She couldn't put it into words, but she knows that her safe little world has fallen to pieces.

The number of broken homes grows every year. Mutual affection and mutual interests are good reasons for marriage, but they are not enough. Our ancestors used to hang the framed words "God Bless Our Home" over the mantel because they knew that He must be a member of every closely knit family circle.

No matter how difficult a marital problem may seem, it can be solved with God's help.

Church membership and regular church attendance do much to strengthen and enrich family ties. Bring your family this Sunday. Every member, from the oldest to the youngest, will be welcome.

## 10 Schools Will Compete In Track Championships

Palm Beach High will defend its Suncoast Conference track championship at Vero Beach, Vero Beach at Palm Hill at Pahokee, Riviera Beach at Lake Worth at Seacrest. March 27 — Hibiscus Relay at Vero Beach.  
March 31 — Lake Worth at Vero Beach.  
April 2 — Palm Beach Relay.  
April 7 — Palm Beach, Forest Hill and Riviera Beach at Vero Beach, Stuart and Fort Pierce at Lake Worth.  
April 9 — Belle Glade and Pahokee at Seacrest, Riviera Beach at Lake Worth.  
April 15 — Palm Beach County meet at Vero Beach.  
April 21 — Conference meet at Vero Beach.  
May 1 — Group meets.  
May 7 — State B and C meets.  
May 8 — State AA and A meets.  
March 24 — Stuart, Fort

## Schools In Both Division May Qualify For State Playoffs

One of the indirect but obvious advantages of splitting the Suncoast Conference last month was that schools in both divisions now have a better chance at qualifying for the state football playoffs.  
With two divisions of seven schools each and no obligation to play members of the other group, all schools have greater flexibility in their schedules and can play more teams in their own classes, thus piling up more playoff points in a good year.  
Scheduling obligations cost Vero Beach in 1963 and Palm Beach during the recent season berths in the Class AA

**FIRST HARVEST QUEEN CONTEST WINNER — Dolores Abbott (Mrs.)** was crowned in 1955. Miss Emily Henderson and Miss Jane Webster (now Jane Klamke) were runner up. Bobby Newman was the first Jaycee president for the Belle Glade club which was chartered October 22, 1953. Harold Rabin was City Mayor that year.

**JAYCEE OF THE YEAR AWARD** was given to Hoke Cooper who was general chairman for the Little League Ball Park project and contributed greatly — "way beyond the line of duty" — toward its success. President Ray Alton is making the presentation.

Class AA Riviera Beach whipped Class B Jupiter 29-4. Class A Belle Glade edged Class B Clewiston 15-13 and Class AA Stuart shut out Class B Okaloosa 13-0.  
Among the losers were Class AA Fort Pierce and Vero Beach to schools in the same category, the Eagles 40-6 to Melbourne and Vero Beach 33-13 to Cocoa. SEACREST, also AA, was whipped by OKALOOSA 13-0. CLEWISTON toppled Pahokee, another B school, 13-4.  
Forest Hill played a post-season game with another AA school, losing 34-7 to Gainesville in the Sunshine Bowl at Ocala.  
Ron Massey of champion Palm Beach was the conference scoring champion in football with 34 points, nine touchdowns. A junior, he played only part-time, used mostly as a pass-catcher and a breakout runner.  
Runnersup was Dick Conello, Vero Beach fullback with 45 points on six touchdowns and nine extra point kicks. He was followed by Forest Hill fullback Steve Knapp, 43; Forest Hill quarterback Ricky Rhodes and Palm Beach fullback Mike Uspensky, 43 each.  
Other scoring leaders for the respective teams, conference games only, were Ken Johnson, Seacrest, 37; BUCKY HOLT, Belle Glade, 35; Harold Wise, Lake Worth, 26; Terry Mueley, Fort Pierce, 24; Jack Harper and Marty Houldsworth, Riviera Beach, 24 each; Clark Collins, Stuart, 24; and JOHN PELL, Pahokee, 12.

**FFA Gets Pointers On Judging Steers**  
Belle Glade Chapter FFA met at Everglades Experiment Station Monday night with Dr. Herb Chapman, Animal Nutritionist, explaining the main points of judging.  
Fourteen boys, who have users going to the South Florida Fair, had their steers on hand for showing and demonstration, and are planning on winning some top honors this year.  
Six guests and 82 FFA members were present.

## Photos Highlight Some Major Jaycee Projects

### Jaycees' 12 Years . . .

(Continued From Page 1A)

The Harvest Queen Chairmen were Roy Kimberly and Bill Aspy. The winner was Miss Paula Parsons.  
1958-1960, Bill Bailey was elected president. Bill Aspy was chairman of the Harvest Queen Contest and Miss Karen Gove was the winner that year.  
1960-61, Bill Aspy was president of the Belle Glade Jaycees. R. H. (Hoch) Cooper was chairman of the Harvest Queen Contest and Miss Barbara Stone was the Harvest Queen.  
Roy Kimberly was elected president of the Belle Glade Jaycees for 1961-62. George Riddle was chairman of the Harvest Queen Contest and Miss Ruth Colvard was the winner.  
1962-63, George Riddle was President. Bill Aspy was chairman of the Harvest Queen Contest and Miss Patsy Crosby was the winner. This was the year the plans were laid to build the Little League Ball Park.  
In 1963-64, Ray Alton was President. Jesse James was appointed chairman of the Harvest Queen Contest. Miss Dee Mikovsky is the Harvest Queen for this year. This is the first year Mrs. Alice Mixon assisted the Jaycees in presenting the Harvest Queen Festival and this year's presentation was one of the most outstanding. Construction of the Little League Ball Park was completed under the chairmanship of R. H. (Hoch) Cooper. The Jaycees distributed Sabin Oral Vaccine to the Glades area, George Powner was chairman.

In 1964-65, M. E. (MHO) McKay was elected president. Activities for the year included a Turkey Shoot; Gospel Sing; July 4th Liberty Bell ringing throughout the City; Christmas Lighting; Registration of Voters; Highest gross take at the P. T. A. Halloween Carnival; sponsored the Glades Slow Pitch Civic Softball League; participated in a district-wide softball tournament. The Jaycee membership reached its highest total since 1955. George Riddle, a local member, was elected State Vice President for this district. The 12th Annual Harvest Queen Contest has been planned for April 3, 1965, with Bill Aspy and Jesse James as co-chairmen.

**FIRST LITTLE LEAGUE GAME** was held on the Jaycee sponsored Little League Ball Park in July 1964. Ray Carruthers (back to camera) was the most active umpire for the season and an ardent Little League backer.

**JAYCEES CITIZEN OF THE YEAR** was awarded to Luther Jones, Jr. who at the time was recovering from a "attack at Belle Glade Memorial Hospital. Luther Jones, Jr. accepted the plaque for his father.

### 19 Countries Of World Talk Kenaf

Individuals and organizations from Ireland, France, Portugal, central and west Africa, Central American and South America and Haiti joined by 37 from the United States attended the Second International Kenaf Conference, held in Palm Beach recently.

England, Natal, East Pakistan, Vietnam, and the Sudan were represented by papers, specially prepared for the meeting.

Jack Dempsey, formerly of Canal Point, sent a paper from Saigon.

The Conference adopted a resolution to "support a permanent international center to perform and encourage vital research on the cultivation, extraction, processing, manufacturing and marketing of kenaf and allied long vegetable fibers."

The Everglades Experiment Station had 12 present and five were from other points in Florida.

### Education Assured Children Of Vets Totally Disabled

M. T. Dixon, of the Florida Department of Veterans Affairs, stated that there is an educational assistance of \$110 per month to children of veterans who are permanently and totally disabled from a service connected disability, or who died while so disabled.

This provision of the law also authorizes extending the period of time during which a handicapped child may receive special restorative training when such an extension is necessary to accomplish the purpose of the training.

Dixon urges all veterans as disabled, or widows whose husbands were so disabled at the time of their husband's death, and who have children, to contact their local Veterans County Service Officer, or write to him at P. O. Box 1497, St. Petersburg, for further information on this educational assistance program.

### FREE VOCATIONAL TRAINING

The Palm Beach County Vocational School announces openings of new classes in electronics. Registrations are now being taken according to Bill McLean, Director of Vocational Education. Classes are limited to fifteen. Due to the need for higher training in the electronics field in this community, the following classes are scheduled to start:

**RADIO AND TELEVISION REPAIR** (including colored television).

**ELECTRONICS I**, basic concepts and D. C. circuits, basic physics, electrical terms and units, measure devices, Kirchhoff's laws, inductance and capacitance, shop practice and theory.

**ELECTRONICS III**, vacuum tube and semi-conductor fundamentals, diodes, triodes, vacuum tube construction and static characteristics, multivibrator and special purpose tubes, interpreting specifications for

vacuum tubes and semi-conductors.

**INSTRUMENTATION** directed for industrial application, repair and calibration of electronic and pressure equipment, temperature indicators, data recording equipment, vibrator analysis, strain gage application feed velocity measurement.

**TRANSISTORS**, accurate analysis and application. Explanation of solid state, circuitry as used in computers and industrial electric equipment and data tapes, etc.

Palm Beach County Vocational School trains, or re-trains for employment and upgrading in employment. These classes are constantly being expanded in Office and Distributive Occupations, Home Ec. Trade and Industrial. People are invited to come for free employment training. Instructors are well qualified, and those who teach night classes are actively employed during the day in local industries. These classes offer practical technical work experience, as applies to the trade in which they are employed.

Advisory committees, consisting of employers and employees meet regularly to determine the needs for training, where those with additional vo-

# Highlights Of South Florida Fair

Antique Auto-land and Barber shop quarters will contrast with the model of the three man Apollo capsule developed by N. A. S. A. giving an old and new theme to the 1965 South Florida Fair, to be held from Friday, January 22 thru January 30.

The antique car show arranged as a special feature of the Fair is a specially compiled collection of vintage cars from different makes and different years, carefully selected for variety and excellent condition. These treasured examples of auto history are being shown by their owners in conjunction with the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc., otherwise known as the Barber Shoppers.

Singing songs of yesteryear each evening the Barber Shoppers will evoke the atmosphere of the turn of century with the harmonies of another age. In their straw boaters and brightly striped blazers they will set the mood for visitors to Antique Auto-land.

For the scientist concerned with tomorrow the Fair offers a spectacular exhibit of recent developments in the space industry. From Huntsville, Alabama comes the "Saturn Apollo Story" a display showing models of the equipment that will be used for the first trip to the moon.

From Pratt & Whitney and other divisions of its parent corporation, United Aircraft, comes the Jet-Cat, which converts hydrogen and oxygen directly to electrical energy. A "Sky-crane" helicopter, which will be displayed for the first time in this area.

The Florida Research and Development Center will display an animated, full scale model of the RL 10, the nation's first operational rocket engine to use

liquid hydrogen as a fuel, developed by Pratt & Whitney for two N. A. S. A. rocket programs, Centaur and the Saturn stage of the Saturn I rocket. Another highlight of this exhibit will be a full scale cutaway model of a jet engine. Hamilton Standard is planning to show a model of the space suit designed for Apollo astronauts to wear on their first flight to the moon and United Aircraft of Canada will exhibit a cutaway version of its P18 engine.

For the visitor concerned with tomorrow the Fair offers a spectacular exhibit of recent developments in the space industry. From Huntsville, Alabama comes the "Saturn Apollo Story" a display showing models of the equipment that will be used for the first trip to the moon.

## Fund Drive Now Underway In Glades For Salvation Army

With the observance of the Centennial this year, the Salvation Army is one of few organizations that have rendered a valuable service to humanity, these 100 years.

Commencing its work in 1865, in East End London, with a handful, today its flag is flying throughout the world. In every national disaster, floods, fires, tornadoes, various other calamities, the Salvation Army has taken an active part, hundreds of its officers and workers assisted in alleviating suffering.

Today, the Salvation Army, with its many activities, homes

and hospitals for unwed mothers, Men's social centers, Evendine home for the aged, children's homes, is helping to make this a better world.

Here in the Glades area, the Salvation Army is rendering a helping hand in many avenues of service. All these activities and services require funds in order that the Salvation Army might do a good job and be able to help those less fortunate.

At the present time, a fund appeal is being made, which is headed by Geo. L. Royal and Mrs. Ruth Wedgworth. Many contributions have come in, in response to letters that were mailed out before Christmas.

There are others who intend to send in their contributions, but perhaps have misplaced this letter. The Committee urges each one to send their check today. Make all checks payable to the Salvation Army and mail to Post Office Box 734, Belle Glade.

Commencing Monday, a team of workers, consisting of Brigadier T. J. Samuel and Charles Putnam, have started the follow-up of the letters, calling on the Merchants. Other teams will be formed and a complete canvass for funds will be made, both in Belle Glade and Pahokee. You can be assured that when you give your contributions to the Salvation Army, it will be spent where most needed.

## New Garbage ...

(Continued From Page 1A)

vestment necessary, improved equipment for more efficient and more economical handling, the decision to use a private contractor appears to the Commission to be a sound practice.

"We are convinced," Mr. Huguely says, "that this equipment is the most modern and efficient available, and that the City will benefit greatly in the time element in collection of garbage as well as a money saver."

Budgets for the past several years have increased approximately \$10,000 annually due to increased demands for garbage removal, with the '64-65 estimate running some \$89,000. The contract calls for \$86,500, with annual adjustments for increased or decreased number of stations or clients. So, there is an apparent \$3,000 saving the first year to the city.

In this community, which has the greatest variety and volume of food production; HEALTH of employees and SANITATION are of prime importance. Existing regulations concerning

the production of foodstuffs have on occasions made strict enforcement an impossible burden for the community. Continued improvement in storage, especially, by residential apartment and rooming operators, as well as business establishments should make Belle Glade more nearly comply with existing local, county and state regulations.

## Here's the right DuPont fungicide to apply on Florida vegetables for dependable disease control

The DuPont Vegetable Spray Guide below shows you the right spray materials and proper application rates for best disease control on major Florida vegetables. All DuPont fungicides listed are fully registered. Each has a long record of success in helping Florida growers increase yields and raise profits.

Crop and Disease	Material	Rate	When and How Often to Spray
<b>TOMATOES</b>			
Late Blight	(MANCATE D)	1 1/2 lbs. per 100 gals.	Start when plants are set in fields and continue every 3-5 days.
Early Blight	(MANCATE C)	1 1/2 lbs. per 100 gals.	As plants are set and when disease threatens. Spray every 3-5 days.
Septoria (Gray Mold)	(PARCATE C)	2 lbs. per 100 gals.	
	(HYALATE)	1 1/2 lbs. per 100 gals.	
<b>POTATOES</b>			
Late Blight	(MANCATE D)	1-2 lbs. per acre	When plants are 2-6 in. high. Spray every 3-5 days when disease threatens.
Early Blight	(MANCATE C)	1 1/2 lbs. per 100 gals.	
<b>CUCURBITS</b>			
Late Blight	(MANCATE D)	1 1/2 lbs. per 100 gals.	When plants are established in the field. Spray weekly under every conditions - when severe spray every 3-5 days.
Early Blight	(MANCATE C)	1 1/2 lbs. per 100 gals.	When plants emerge - continue in the field. Spray every 3-5 days, one if necessary.
Bacterial Wilt (in early plant beds and vines)	(HYALATE)	1 lb. each per 100 gals.	To plant bed. Spray every 7 days. Severe conditions every 3-5 days.
<b>PEPPERS</b>			
Anthracnose	(MANCATE D)	40 lbs. per acre	When mild. Spray every 5-7 days.
Septoria	(PARCATE C)	1 1/2 lbs. per 100 gals.	When disease threatens. Spray every 4-7 days.
Anthracnose	(MANCATE C)	1 1/2 lbs. per 100 gals.	When disease threatens. Spray every 4-7 days.
Downy Mildew	(MANCATE D)	1 1/2 lbs. per 100 gals.	When disease threatens. Spray every 4-7 days.
<b>CUCURBITS</b>

REMEMBER...THE BEST DISEASE PROTECTION PAYS OFF!

## Here's how to increase vegetable yields with Du Pont NU GREEN - the ideal supplemental nitrogen

"Nu Green" is 45% nitrogen from urea that resists leaching and provides the long-lasting source of nitrogen that vegetables need. Below is your guide to applying "Nu Green" for best results.

CONCENTRATION OF "NU GREEN" IN FOLIAGE SPRAYS  
Lbs. "Nu Green" per 100 gals.

4 to 5	Tomatoes, cucumbers, cabbage, cauliflower, celery, lettuce, peppers, snap beans, sweet corn, strawberries
5 to 10	Sweet potatoes
15	Potatoes
20	Carrots, parsley

CONCENTRATION OF "NU GREEN" FOR IRRIGATION AND TOP DRESSING  
From 80 to 150 pounds of "Nu Green" per acre are recommended for top-dressing vegetables - applied through irrigation water, or in ground or air application.

Pounds of "Nu Green"	Number of Bags of "Nu Green"	Pounds of Nitrogen
40	1 1/2	18
80	3	36
120	4 1/2	54
160	6	72

REMEMBER...FEEDING SUPPLEMENTAL NITROGEN WITH "NU GREEN" PAYS OFF!

Clip out this guide or pick up a copy from your local dealer. Put it in a handy reference to the best source of supplemental nitrogen. For more up-to-date information, consult your DuPont dealer.

# DUMPMASTER

8A THE HERALD, Belle Glade, Florida JAN. 14, 1965

Is The World's Most Efficient and Economical  
SYSTEM OF REFUSE STORAGE AND COLLECTION  
and is in USE by—

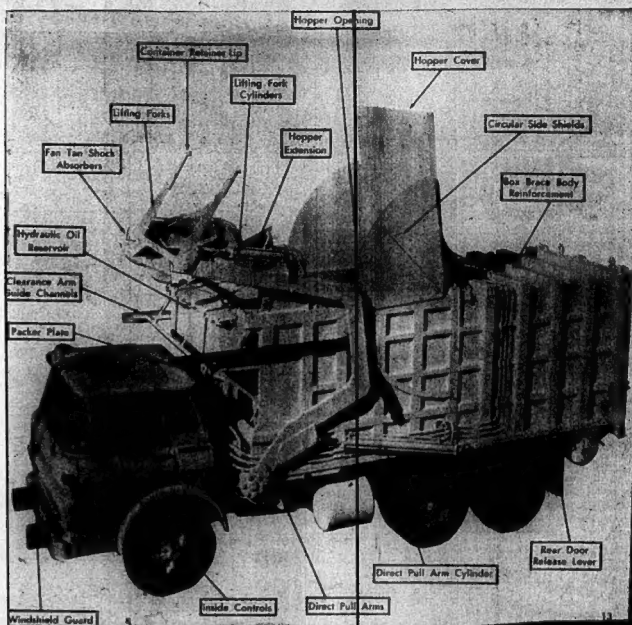

MUNICIPALITIES — DEFENSE BASES — INDUSTRY — PRIVATE HAULERS

## DUMPMASTER

Equipment is designed with the welfare of the workmen in mind — The picture shows one of the Dumpmasters in use in Belle Glade, with protected riding for the ground crew and In-The-Cab control and view by the Driver.

SOUTH FLORIDA SANITATION CO., contractors with the CITY OF BELLE GLADE for collection of REFUSE — garbage and trash has on hand two 20-ton capacity DUMPMASTER DUMPMASTERS, and has on order the third one.

The Dumpmaster shown above is a 30-60 ton unit, with double axles. The 20-ton units in Belle Glade are similar, with the exception of capacity.

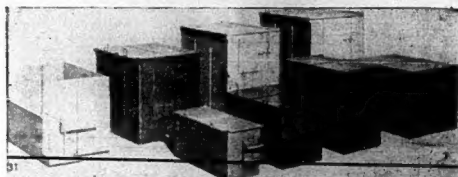

## Garbage May Be Breeding Place For Flies And Rodents,

UNSLIGHTLY AND EVEN UNHEALTHY, such as these two pictures taken Tuesday morning on a Belle Glade Street.

The picture shows the ordinary barrel container, without tops, and the result of overfilling, dogs and children strewing refuse about.

### Sanitary Covered Containers

South Florida Sanitation Co., has a supply of containers on hand, so that any citizen may secure one, in the size needed by home, business, or industrial organization.

On the right, the owners of the apartment house, have tried to prevent scattering of garbage but, with the doors, and even with the concrete stands, the results are evident.

WITH THE HELP OF the City's Customers — homeowners, shop operators, apartment and rooming house landlords and businesses, SOUTH FLORIDA SANITATION CO., will make Belle Glade a cleaner, more sanitary and wholesome place in which we all may live.

We have secured the most modern, and the most efficient equipment known — we have the intention to provide the fullest cooperation with the those from whom we collect refuse—garbage and trash — and with our common higher authority—THE CITY OF BELLE GLADE.

## Our Latin Neighbors' Column Story of the Execution Wall Farewell Hymn

### Our Latin Neighbors' Column

In one past Sunday, before twelve o'clock mass, in St. Paul, Beniz Church, Mr. Eladio R. Koch made some comments on hymns that form part of the new Church rite. He explained that inclusion of religious canticles in mass is nothing new, but now in accordance with the fifth Ecumenical Council, hymns have been imposed as obligation together with the introduced changes in the liturgy, among which is included the vernacular tongue. He added that in all the Churches they are trying to induct the faithful in these new changes. And expressed that the song or canticle is the true expression of human sentiment, and a beautiful form of expressing our love to God and to the Blessed Virgin, that is why we all must sing, even if we do not sing well, as this is no matter to show off a beautiful voice or quality that we do not possess, but of expressing our love to Christ and the Virgin Mary.

With words that moved great emotion, he remembered that the farewell hymn "THOU WILL REIGN" has for the Cubans a special significance, as it was the canticle of our youth confined in prison. Many young men, before the execution wall, faced death singing in their highest voices this hymn: Thou wilt reign, this is the clamor that ardently exhales our faith.

Thou wilt reign, oh blessed King because you said, I will reign.

Reign Jesus forever May His heart reign in our Country in our soil It is of Mary the nation.

So when we attend mass, we must all sing this hymn, with a high voice and special devotion, not only because it forms part of the Church rite, but as a prayer decision to all those who have given their life and liberty for the freedom of Cuba.

**NEWS FOR OUR LATIN COLONY**  
Among our neighbors we have Laura and Carl Lockmiller very much esteemed in our Latin Colony. Laura is very active in church and community activities.

They have just lost their

mother, Mrs. Susan Doub, on January 4th, born 73 years ago in San Isidro, Honduras, Central America. Our deepest sympathy to the whole family. Her daughters and sons, Mrs. Lockmiller, Mrs. Rosa Nash, our Postmaster, Mrs. Julia Chapell, Mrs. Carmela Mayson, Mr. William H. Doub, Mr. Landon A. Doub, Mr. Johnny Lee Doub.

#### FROM MIAMI

On Christmas Eve, December 24th, Mrs. Lilliane Fajal de Aqueduct had a dinner party in her new home, just built. The dining room was decorated with good taste, the table cloth was of thick red velvet with white fringes, and two iron chandeliers painted white, the candles were red. The living room had lovely silk panels in beautiful colors.

On the lot alongside Lilliane's home, you find the house of her mother, Mrs. Lilliane Gomez Bena, and on the other side, her grandmother's home, Mrs. Olga Seigle de Zaldio. A garden surrounds the house, and looks lovely.

We take pleasure in publishing a wedding which took effect at the end of 1964. That of Lucy Pantin and Ernesto Fraus, of two well known families from Havana. Her father, Victor Pantin, and stepmother, Hilda Cuervo, gave her very practical household goods, and her grandmother Hilda Oliva, several wonderful her wedding gown, with a long veil at the end of which had a very fine and antique lace, present from her other grandmother, Mrs. Ondina de Armas. She had on a diamond cross and necklace, that was beautiful. They are going to make their home in Puerto Rico, where the bride groom has a job.

#### IN PALM BEACH

We found the "Salon Pinaise" belonging to Mrs. Bibi Aspura de Santibanez, her daughter, Julia Aspura de Rousseau, with Isabel, the great dressmaker from El Encanto, Havana. This salon is taken over by a very prominent tourist who comes to Palm Beach to spend the winter.

#### MY BELOVED CUBA

the musical show and folklore

festival, which revenue is assigned to assist the neediest of our numerous exile colony, sponsored by the Immaculate Conception Parish of Hialeah, Florida, under the direction of Father Jorge B. Chabbe, on 31st of this month, will change totally, with new clothing and new music. There will be a renovation in the representation of the numbers, and the technicians and directors have prepared new evolutions and decorations.

This patriotic, cultural and religious MY BELOVED CUBA show, has had a continuous success. They showed it twelve times at the Dade County Auditorium, then in Gainesville, Tampa, and at Barry College in Miami, and lately in Palm Beach. They were very sorry that the time they put the afternoon show in Palm Beach, there was a failure in the microphones.

#### FROM NEW YORK

My son, Jose Luis Larrondo, from St. Paul's School in Concord, New Hampshire, left for New York to spend his Christmas vacation at his aunt's and uncle's Mr. and Mrs. Alexander Blum, and there they formed quite a group of teenagers, and went to parties. They were Jorge Miranda, Juan Manuel Tapia, Esteban Rojas, Jose Larrondo, Alicia Maria Tapia, Maria Elena Rojas, Carlos Guzman, Carlos Castellanos, Carmencita Remolina, Lourdes Ramirez Molina, Madeline Carrillo, the Abello brothers, Serri and Humberto Periera.

They attended Cuban style parties with nice food, beer and cokes. Went shopping in department stores, attended the movies to see "It's a Wild World."

#### FROM SPAIN

We received word from friends and relatives, among which we have Mrs. Carmelina Guzman, Elena Alfonso, Eddie Bouquet and family.

#### TO OUR BELLE GLADE NEIGHBORS

We remind all the Latin Colony the importance of filing the annual requisite Alien

Card, within the actual month of January, to inform the immigration authorities, of their present address. These cards could be obtained in every Post Office. It is a duty easy to perform.

Mr. Tomas Martinez, machinist from Central, Luganda, has been given a job at the Atlantic Sugar Mill, and is coming to live here in Belle Glade with his wife Mrs. Martinez.

Our young High School graduates from Belle Glade, want to continue their studies, and they get up very early in the mornings to catch the 7:30 School Bus and attend classes in Palm Beach College. They are Maria Dolores Espallargas, Ana Maria Ramirez, and Yolanda Toledo.

## The Belle Glade Herald

JAN. 14, 1965

THE HERALD, Belle Glade, Florida 18

your minds from the daily read the newspaper, or some interesting book.

If you have to serve an important dinner, you have here a list of wines kindly to know, the wine that will be appropriate, the ones to serve with meat, or fish. And the appropriate one for alter dinner.

For cocktails and parties: Sweet Vermouth, Sherry, Port, Champagne.

For Appetitive — Champagne, Rosé, Sweet Vermouth, Sherry.

With fish and white meats — Sauterne, Napa Rose, Rhine Wine, Dessert.

With red meats and strong food — Napa Rose and Burgundy.

With Desserts — Port, Sherry, After dinner — Champagne, Port.

Here you have very simple recipes for the daily menus. There's many of us finding ourselves in a tight spot in the kitchen. And this is an easy way to learn:

**MENU OF THE DAY:** (Rice, fried egg, ground beef, Sweet Potato, Dessert).

**WHITE RICE:** (Ingredients: 1 cup rice, 1 1/2 cups water, 1 teaspoon salt, 1/2 teaspoon oil or lard.)

1. Wash the rice grains twice or three times.

2. Add the water, salt and lard.

3. Put it on high heat until it begins to boil, then low the heat to simmer, cover 30 minutes.

With a large fork, stir every 10 minutes to separate the grains and break up the clumps.

4. When the rice is done, so that the rice won't stick to the bottom.

**FRIED EGG:**

1. Fill the pan with half an inch of oil or lard, medium heat.

2. When the oil is hot, place some in a deep bowl, before frying.

3. With the lard almost cold, put in the egg and sprinkle with lard the egg yolk with a spoon, till it becomes more color.

4. Sprinkle some salt on the egg.

**GROUND BEEF:**

(Season same the night before, and leave it in the refrigerator on a dish).

For one pound of ground beef you can season it like this: You extend the meat on a long platter, flattening it with a fork, until it all forms a thin cape.

Squeeze half a lemon on the meat. Sprinkle salt or better garlic salt, all on top of it in every corner. Chop a small onion, chopped very fine, and cover with some of the whole meat.

Leave this on a platter in the refrigerator, at least 12 hours before cooking, to take in its taste.

The meat here in the United States has enough natural grease, and does not require lard or oil for cooking.

Only place it, all flat on a pan, and brown it turning same with the skimmer, medium heat, till it becomes all grey color. Then you cook same about 15 minutes, low heat. Squeezing and turning it slowly with the skimmer, separating the ground beef so that it will not stick to each other.

**SWEET POTATO DESSERT:** (Should be done in the morning, to serve cold at night)

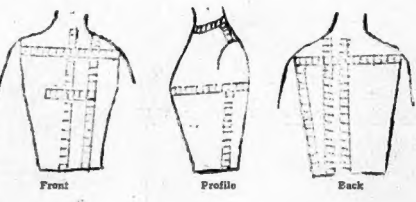

1 1/2 lb. sweet potato, 1 1/2 cups sugar, 1 1/2 cups water, 1/2 lemon, 2 whole yolks, 1 tablespoon butter, 2 tablespoons cooking wine, Powder cinnamon.

First please cook until tender the sweet potatoes already peeled, in water to cover them and 1 teaspoon salt. Afterwards

place a casserole on the stove with the water, sugar, lemon juice, and when this syrup is boiling, add the sweet potatoes, already ground or mashed. Stir same so that it won't stick it

the bottom. Take a little and dissolve the egg yolks, placing it again on the stove. Add cooking wine and butter, always stirring, until it thickens. Pour carefully on a dessert bowl

(if it is made of glass, place first a spoon, so that the heat won't break it). Sprinkle the top with cinnamon, and let it refresh a little before placing same in the refrigerator.

#### SEWING

Inasmuch as sewing is concerned, I know it must be the strong point of almost all of you. But always the fashions change, and in Cuba we were very much accustomed to have our clothes made at the dress-makers. Now it's the moment to sew for our daughters, and for ourselves. Beginning by the beginning, here you have the way to take the measurements with the centimeter or tape:

**MEASUREMENTS:**

**BUST:** Around same, by its most prominent part.

**WAIST:** Around same, at its most prominent part.

**NECK:** Around same, at its most prominent part.

**SHOULDER:** Along the shoulder, from the neck to the arm joint.

**WIDTH OF ARMHOLE:** Take measures of Front and Back. From the arm joint to under-

arm.

**SIDES:** From underarm to waist.

**WIDTH OF THE BACK:** From one shoulder joint to the other one.

**LENGTH OF THE BACK:** From the neck, to the waist on the middle of the back. 2. From one side of the neck to the waist. 3. From the arm joint to the waist.

**FRONT LENGTH:** From the center at the neck base to the waist. 2. From middle of the shoulder to the waist, passing by the most prominent part of the bust. These are two measures.

**BUST HEIGHT:** From middle of the shoulder, to the most prominent part of the bust.

**WIDTH OF THE BREAST:** (Front measure) at shoulder height, going down one inch.

measure the width from one underarm to the other one.

**SEPARATION OF THE BUST:** Measure the separation from the most prominent part of the bust, to the other one.

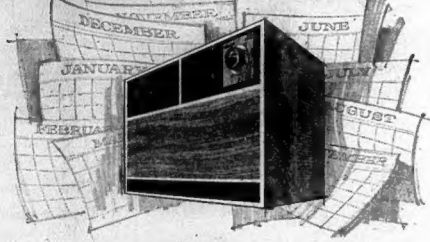

When taking these measurements, it is useful to write them down. That way, you can make your own pattern, or when using Vogue, Butterick, McCall Simplicity patterns, you can adjust them to your figure.

For the simple skirt, you can measure: 1. From the neck, the hip, width of the hip, and length of the skirt.

warms in WINTER cools in SUMMER

TOTAL YEAR-ROUND COMFORT WITH  
**reverse-cycle  
ELECTRIC AIR-CONDITIONING**  
SAFEST • CLEANEST • NOW CHEAPEST, TOO!

Reverse-cycle central and window models now cost little more than straight cooling units. So the heating feature is practically a free bonus! You save space and the extra cost of separate heating and cooling systems, since one compact unit does both... cools in summer, warms in winter.

SAFEST by far... flameless and fumeless. CLEANEST... no soot.

There's no match for flameless Electric Living.

... Now cheaper than ever to GO ALL-ELECTRIC than to use it in combination with flame-type fuel.

# Columna Latina Historia Del Himno Del Paredon De Ejecucion

En un pasado domingo, el Sr. Eladio R. Koch, antes de la misa de doce, en St. Philip, Benito, hizo a los fieles algunos comentarios sobre los himnos que forman parte del nuevo rito en la misa. Explicó que la inclusión de los cánticos religiosos en la misa no es nada nuevo, pero ahora por acuerdo del Concilio Eclesiástico, se han impuesto como cosa obligada junto con los cambios introducidos en la liturgia, entre los que se incluye el idioma vernáculo. Agregó que en todas las iglesias se está tratando de introducir a los fieles en estos nuevos cambios, y en lo relativo a los cánticos, expresó que la canción o el canto es la expresión lírica del sentimiento humano, y una forma hermosa de expresar nuestro amor a Dios y a la Santísima Virgen, por lo que todos debemos cantar, sin importar que no lo hagamos bien, ya que no se trata de hacer alardes de bella voz o cualidades que no poseemos, sino de expresar nuestro amor a Cristo y a la Virgen María.

Con palabras que nos produjeron gran emoción, recordó que el himno de despedida "TU REINARAS" tiene para nosotros los cubanos una especial significación, ya que es el canto de nuestras hermanas confinadas en prisión. Muchos jóvenes que ante el paredón de fusilamiento se enfrentaron a la muerte, cantando a toda voz este himno:

Tu reinaras  
este es el grito  
que ardiente exhala  
nuestra fe.

Tu reinaras  
oh Rey bendito  
pues tu dijiste reinare.

Reine Jesús por siempre  
Reine su corazón  
en nuestra Patria  
en nuestro suelo  
es de María la nación.

Nosotros aquí al asistir a  
misa, debemos cantar todos ese  
himno, con voz bien alta y con  
especial devoción, no solo por  
parte del rito de la misa, sino  
como oración dedicada a los  
que han dado su vida y ver-  
dad por liberar a Cuba.

Quedamos muy agradecidos  
al Sr. Eladio R. Koch.

## NOTICIAS DE NUESTRA COLOMBIA LATINA

Entre nuestros vecinos tenemos a Laura y Carl Lockmiller, a quienes tenemos mucha estimación en la Colonia Latina. Laura es muy activa en cuestiones de la iglesia y la comunidad, y muy buena vecina para nosotros los cubanos. Ellos acaban de perder a su mamá, Mrs. Susan Doub, en Enero 4, nacida hace 73 años en San Isidro, Honduras, Central America. Nuestros más sentidas condolencias a toda la familia. Sus hijas e hijos, Mrs. Lockmiller, Mrs. Rosa Nash, nuestra

Directora de Correo, Mrs. Julia Chappel, Mrs. Carmela Mayton, Mr. William H. Doub, Mr. Landon A. Doub, Jr., Mr. Johnny Lee Doub.

## DESDE MIAMI

En Christmas día 24, tuvo una comida Liliane Fajal de Andúe, en su casa nueva acabada de fabricar, muy bonita. El comedor estaba arrejado con mucho gusto, el menú era de terciopelo rojo muy lindo, con un fleco blanco, y dos candelabros de hierro pintados también de blanco, las velas eran rojas. Al lado del comedor, una sala con paneles preciosos en color de bello colorido.

Al lado de la casa de Liliane, tiene un terreno y su casa, la mamá, Liliane Gómez Mená, y del otro lado su abuela Olga Soledad de Zúñiga. Un jardín bonito en las casas, y lucen muy bonitas.

Tenemos gusto en publicar lo que fue el final del año 1964, el matrimonio de Lory Pentín y Ernesto Freyre, hijos de dos conocidas familias de la Habana. El padre de ella Víctor Peña, y su madrastra Hilda Cuervo, le hicieron una habitación muy práctica para la casa, y su abuela Hilda Ovi-  
da le como maravillosamente el traje de novia, con una cola larga, que llevaba que llevaba un encaje muy fino antiguo, regalo de su otra abuela, Sr. Ondina de Armas. Tenía puesta una cruz de brillantes pendientes de un collar también de brillantes, que le lucía precioso. Ellos van a vivir en Puerto Rico, donde tiene un trabajo el novio.

## EN PALM BEACH

En Palm Beach está el "Salon Francés" de Bibi Aspura de Santoro y Julia Aspura de Santoro, en Tebeil, la gran modista de El Estanco. Siendo el salón de costura preferido de muchísimas personas que vienen a la Colonia Latina en la temporada de Invierno. El show musical y festival folclórico, cuyas entradas se usan para ayudar a los más necesitados de nuestra numerosa colonia en el exilio, patrocinado por la Parroquia de la Inmaculada Concepción de Hialeah, Florida, bajo la dirección del Padre Jorge B. Chabot, el día 31 de este mes cambiará total-

mente con nuevos trajes y nueva música. Una renovación de los cuadros y de los números, y los técnicos y directores han preparado nuevas evoluciones y decoraciones.

Este cuadro de MI ANORADA CUBA, patriótico, cultural y religioso, ha tenido un éxito extraordinario. Se ha puesto 12 veces en el Dade County Auditorium, en Gainesville, en Tampa, en el Barry College de Miami, y en Palm Beach. Sintiendo mucho que en este último en la función de la tarde hubo una falla en los micrófonos.

## DESDE NEW YORK

Mi hijo, José Luis Larrondo, de St. Paul's School, en Concord, New Hampshire, salió para New York a pasar su vacaciones de Pascua en casa de su tío y su tía, Sr. Alejandro Blum y Sra., y allí formaron un gran grupo de pepillos, que tuvieron fiestas en el club, con comidas criolla, cervezas y coctails. Fueron: Jorge Miranda, Juan Manuel Tapia, Esteban Rojas, Alicia María Tapia, María Elia Rojas, Carlos Emmertman, Carlos Castellanos, Carmencia Romillo, Lourdes Ramirez Molina, Madeleine Catrillo, los hermanos Abello, Sari y Humberto Perterria.

Fueron de fiestas de compras en grupo, y concurren al teatro a ver la película "It's a Mad World".

DE ESPAÑA nos escriben de nuestros amigos y familiares. Entre ellos encontramos a la Sr. Carmelita Guzman, y sus hijos Elena Alfonso y Eddie Bousquet. Ellos acaban de perder a su tío, quien era Ministro del Gobierno de España. Nuestros más sentidas condolencias a toda la familia.

## A NUESTROS VECINOS DE BELLE GLADE

Recordamos a todos los Latinos la importancia de cumplir dentro del acto mas de Enero, el requisito anual de inscripción en las estadísticas de migración, el presente domicilio de cada uno. Llenando al efecto la tarjeta que puede obtenerse en las estaciones de Correo. Es una obligación fácil de cumplir.

El Sr. Tomas Martinez, maquinista del Central Toltard, ha sido colocado en el Atlantic Sugar Mill, y viene con sus

señora a vivir a Belle Glade. Están buscando casa.

Nuestras jóvenes, graduadas del High School de Belle Glade, tienen empeño en seguir sus estudios. Y se levantan muy temprano para coger la guagua del colegio, para poder seguir sus estudios en el Palm Beach College. Entre ellas se encuentran las Sras. Maria Dolores Espallargas, Ana Maria Ramirez y Yolanda Toledo.

El Mobile X-Ray Unit, contra Tuberculosis, GRATIS, presenta su itinerario para la semana comenzando en Junio 14.

periódico nuestro Belle Glade

Herald, ha llegado a la Habana,

Miami, Puerto Rico, Guatemala,

New York, y hacia Espana.

## CASA, COMIDA Y ROPA

Aquí en los Estados Unidos

todas nuestras vidas tendro que

comenzar una nueva vida, dife-

rente que en Cuba, habiendo

pasado todo un tiempo. Lo mejor

seria ir aprendiendo una man-

era comida y rapida. Ya se que

todos conocian en la Habana,

como hacer brillar los mue-

bles, los pisos, la buena cocina,

la buena costura, las telas, ador-

nos, etc., las buenas interiores y

lavanderias.

El metodo americano de usar

el estufero propio, es muy prac-

tico. Asi por ejemplo, no re-

comienda para no perder ener-

gia, cuando se planea, ha-

berlo sentido. Cuando se tra-

baja en la cocina, pelando pa-

pas, o cortando cebollas, tam-

bién hacerlo sentido. Tener dos

jugos de efectos de limpiador

y esponjas, uno en la cocina y

otro en el baño. Y es mejor

## Sherry.

Después de comida — Cham-

pagne, Oporto (Port).

También les incluyo recetas

muy sencillas para el menu

diario. Hay muchas de nosotros

pasando ahora en la cocina. Y

esta es una manera sencilla de

aprender.

MENÚ DEL DIA: (Arroz, hue-

vo, picadillo, Boniatillo).

ARROZ BLANCO (Medidas)

1 taza de arroz

1 1/2 tazas de agua

1 cdita. de sal

1 cdita. aceite o manteca.

1. Lavar el arroz dos o tres

veces.

2. Echarle el agua, sal y

manteca.

3. Ponerlo a toda candela,

hasta que empiece a hervir, des-

pués bájalo a "simmer" tapado

30 minutos. Con tenedor largo,

revolverlo de vez en cuando

para separar los granos, y ras-

par el fondo de la cacerola, que

no se pegue.

## BUENO FRITO:

1. Poner una sartén con media

puilgada de aceite o manteca, a

candela mediana.

2. Al romper el huevo, echarlo

en un plato hondo, antes de

freirlo.

3. Con la manteca casi fría,

echar el huevo, y salpicarlo

manteca con una cucharita

sobre la yema, hasta ponerla color

de rosa o blanqueada. Sacarlo con

la espumadera.

4. Salpicar un poco de sal al

huevo.

PICADILLO: (Adobarlo desde

la noche anterior y dejarlo en la

nevera).

Para una libra de carne picada

adobar así: Se extiende la carne

en una fuente larga, apastan-

dola con tenedor hasta de-

jarla solo en una capa finita.

Exprimirle medio limón sobre

la carne. Salpicarla de sal o sal

de yodo, todo por arriba, por to-

dos los rincones. Picar una ce-

bolilla pequeña, bien bien finita,

y cubrir con esta toda la carne.

Poner esta fuente en la nevera,

por menos 12 horas antes de co-

cinarla.

La carne en los Estados Uni-

dos tiene bastante grasa natu-

ral, y no se necesita manteca

para cocinarla. Solamente se co-

loca a lo largo de la sartén, y

se dora un poco hasta ponerla

toda color gris, a candela me-

diana. Después a candela bajita,

alrededor de 15 minutos. Apas-

tandola todo el tiempo con la

espumadera, y separando el

picadillo, que no se empesque.

BONATILLO? (Pechito) (Debe

hacerse en la minina, para ser-

vir a la noche)

1 1/2 lb. boniatos

1 1/2 taza azucar

1 1/2 taza agua

1/2 limon

2 yemas

1 cda. mantecquilla

2 cdas. vino seco

Canela en polvo.

Primero salcoche los boniatos

pelados, en agua, hasta cubrirlos

con sal (1 cdita), hasta que

estén suaves. Después en otra

cacerola poner al fuego agua,

# Ram Page

WRITTEN BY H. S. STUDENTS

6B THE HERALD, Belle Glade, Florida JAN. 14, 1965

READ BY H. S. STUDENTS

## Swinging Senior Personalities

The RAM-PAGE, beginning with this issue, and continuing, we hope, throughout the entire second semester, is going to feature in this column some of the outstanding personalities of the Senior Class of '65.

Mary Elizabeth Livingston is the moniker given to this part 5' 11 1/2" blue-eyed senior lass. Although those of us who know her, and there aren't many who don't, call her just plain "Beth". Born December 31, 1947, in Orlando, she is the oldest in a family of five.

Dancing, eating and "dining to keep her cheerleader's figure" are listed as her favorite pastimes, while the color pink, saying "too bad" sport football, subject art, and record "Time Is On My Side" are other favorites of this cute cheerleader. Although she likes "driving 'Mon's Blue Mercury", you may find her, after she graduates from college, driving the car of her dreams — a Lincoln Continental.

We know this gal with her thirty ways and wavings per-

sonality will go far in life, and we wish her the best of luck in all she may attempt.

Larry Cecil Bowen is one senior who should need no introduction in any of the student.

By being president of the Student Council and a member of the football team, he gets around quite a bit.

Larry lists as his number one favorite as "girls." Following close behind, though, are the saying "cool it," song "Time Is On My Side," and record "Time Is On My Side" are other favorites of this cute cheerleader. Although she likes "driving 'Mon's Blue Mercury", you may find her, after she graduates from college, driving the car of her dreams — a Lincoln Continental.

We know this gal with her thirty ways and wavings per-

## Subscription Anyone?

The Junior Class started their magazines sales drive at the beginning of this week by going from house to house for subscriptions to popular magazines.

This is an annual event for Juniors to raise money for their banquet and prom to be given to the Seniors. An amount is budgeted for the class gift to the school.

The Curtis Company awards prizes, that consist of money and stuffed animals, to top sellers. This promotes interest, and competition among the students.

Every year the Juniors try and succeed in outselling the class ahead of them. Last year's Juniors sold over \$4,000 of subscriptions.

Oh, the ram-

## Hey Fred! Fred!

by Lynda Long

"Wake up, gal. It's 7:15 already." That's my alarm clock faithful mom. I stumble out of bed and head straight to the radio. This is the most important step in my preparation for school.

After I've eaten and thrown on my "Lerner's Originals" on to wear, I buzz to school and park in a most awkward place, hoping my car isn't the victim of another car for the day. Then I walk down the halls speaking to everyone I know so they won't think I'm conceited and hope I don't see too many I know. I remove my load of books on a nearby bench and begin the day... namely, gossip.

"Thanks. I like yours too." I just got my first compliment on my Lerner's Original. I wonder if she really liked it, or just wanted me to notice her dress. Oh well.

There goes the bell. Off to art and Mrs. Earwood. We forgot to salute the flag, of course, and I hope I don't have any club meetings seeing as how the announcements couldn't be heard.

"Oh, you're so talented." "Gee thanks, but it's the back of my picture." "Mrs. Earwood, let Joyce to leave me alone. I'm trying to concentrate." Off to second period.

"What happens to purchases when you are adjusting class?"

Take A Tip

Habits Determine Life We Live

The habits that we have determine, to a large measure, the life that we lead. By acquiring good habits and refraining from bad ones, we will live a happy and useful life.

BE PROMPT

The habit of being late is most annoying. Always try to be on time for appointments. Being tardy at work may mean a loss of position. Students, employees feel that they are people who are not to be trusted in the business world dependability is a necessary even in the little things. Promptness gives you self-respect and self-confidence.

KEEP YOUR WORD

Do not make promises unless you are less than you can keep them. Let it be said of you, "Your word is as good as your bond."

BE DEPENDABLE

Do not form the habit of shirking your duties. Dreading and putting off work just wastes time. If you know how something is to be done, do it immediately. Free your mind from new tasks that may come up. Form the habit of quickly dispatching your duties and thus save time and soon you will have the reputation for accomplishing much.

AVOID BOASTFULNESS

Do not exaggerate. Do not be boastful about your accomplishments. People are interested in themselves; they are not like to listen to long tales of your achievements and soon they feel that you are a bore and do not listen to you. It is better to have recognition for

## Beta Club Taps New Members

Tapping of prospective members for Beta Club was carried out at the Christmas program December 18.

John Bamford, president, and four Beta members, Susanna Wierengo, Irene Ashley, Jane Wierengo and Kathryn Zywicki, stressed certain points which are very important to the individual person.

Leadership, Honesty, Achievement and Character go to make up the four essential points.

The prospective members who were selected are: Vicki Chalmers, Pat Bowen, Mary Leigh Amerine, Sherri Burgess, Adrian Books, Carolyn Mansfield, Karen Dexter, Henry Molina, Laura Livingston, Frances Collins, Allison Cann, Sue Morris, Cary Blanco, Jo Ellen Geph, Janice Blumenthal, Jane Zumph, Ronald Gerry, Richard Holt, Doris Willis.

The club members started out the New Year with a meeting to vote on a money raising project for the second semester. Susie Wierengo presented several samples of school stationary for the club's approval.

Guess Who?

The Golden Rams basketball team defeated two tough teams over the holidays to win the Glades tournament in Okeechobee.

The Rams captured first defeated Clewiston 68-52, then came back to top Okeechobee 57-44. Pahokee took third by tapping Clewiston 62-51.

On Tuesday the Rams played Riviera Beach, one of the conferences top teams, to a standstill for almost three periods before weakening to the Hornets strong bench and superior height. The Rams were led in scoring by Tony Latour with 21 points followed by Gary Mann with 12.

The main reason for the closeness of the game in the first half was that the Rams 66 percent of their shots while the Hornets could only hit 35 percent.

On Friday Seacrest defeated the Rams 63-52 in the Belle Glade gym.

After closing the gap to 42-37 at the end of the third quarter the Rams yielded to the Seahawks in the final quarter which seem to be a bad quarter for the Rams.

On Saturday night Gary Mann pumped in 20 points to lead the Rams to a 63-52 victory over non-conference foe Clewiston.

Other Ram players in double figures were Mickey Magphee with 11, and Carey Jones with 10.

# January Marks Mid-Term THE PAGE

3B THE HERALD, Belle Glade, Florida JAN. 14, 1965

## January Marks Mid-Term

Now is the time during the school year to buckle down if you haven't. I fear it is later than some of you think.

The first semester ends on January 25, 1965. For some of us this means nothing. For others it means studying and passing mid-term exams; one more semester of hard work; prom; plays; and concerts; and graduation activities.

We have to put our hearts into this last half of the school term and get the maximum out of it. Each of us knows what needs to be done and the short amount of time we have left. No one has to beg us to get our lesson, come to school each day, pay attention in class and get our homework. Things such as these are almost a must if we intend to get anywhere.

It has been said that it is too late for the seniors. There is always room for improvement for everyone. We have five more months in school. Start now. I'm sure you'll accomplish something in that amount of time. Why waste your time when it is of such great value?

Remember time waits for no one. It may be later than you think.

By Myrtle Foster

## From The Editor's Desk

### STRIVE FOR EXCELLENCE

Most of us are content to strive only for the top in our class. As long as we are able to make more than our classmates, we are quite satisfied. We do not realize that we are going to have to compete against the whole world.

We make plans to move to other places. Our lives, we dream, will be so glorious. But we are preparing to compete against those people in other places? No! We think of how things are in Belle Glade. We even think of careers which they apply to Belle Glade.

People will be coming to Belle Glade also. What competition will they bring? It is no use thinking you're going to live here happily the rest of your life and not worry about competition. There is nothing for the person who is ill-equipped for jobs.

We must strive and compete with people everywhere.

We must take advantage of

## School Drop-Outs

There are as many reasons as there are students for dropping out of school. Their reason for dropping out depends upon them. If they are rational students they will try to make the best of this opportunity granted to them. Some of the most common reasons for dropping out of school are marriage and financial difficulties. But there are far too many students who are dropping out for no reason at all. They say they are tired of going to school, so they decide to quit. Then there are some who think that going to school is a waste of time and money. But it is about time we realize that an education is far too valuable to be wasted.

There are no words in the dictionary that can express the importance of staying in school. Once the drop-outs realize the importance of getting an education it is most often too late to do anything about it. Now, as the students in school all should realize that their whole future depends upon the decision they make today. Now is the time for you to make one of the most important decisions in your life. The decision you make now will determine what your income will be in the future. A study in 1958 indicated that a young person with fewer than eight years of education would earn on the average of \$2,551 a year. A high school graduate could expect to earn \$5,587 and the university graduate \$9,208. Persons with less than eight years of education would be put out of work because they cannot compete with the new inventions and machines.

Statistics have shown that 15.6 percent of all people who are looking for work are most likely school dropouts. Nine times out of ten they have little if any skill.

There are times when we are encouraged by our fellow classmates to continue our education. But if we aren't interested there's nothing that they can do. If it is up to us the students to decide whether we want to make the best of this school opportunity.

—Beulah Gibbons

All our opportunities. This is a "do-or-die" world, and to succeed continuously we must prove ourselves. We must think, live, and learn on a broad scale. We must strive for excellence.

## Just For The Record:

Good English is the kind of English used by educated people. It is called standard English. It is appropriate in all formal situations: essays, articles, literary essays, essays, type answers on examinations, research papers, and formal speeches.

Colloquial English is the language used by educated people in conversation and conversational writing. It is acceptable in any informal situation. You will find colloquial writing on the editorial pages of some newspapers, in signed columns, and in stories and essays in most of the popular magazines. It is also the natural and appropriate language of friendly letters.

The illiterate, or lowest level of usage is the language typical of persons who have not had the advantages of education or who just insist upon using poor English when speaking in spite of their education.

Remember the three levels of English usage are: STANDARD: Always correct although it may sound stilted in some informal situations. COLLOQUIAL: Correct in informal situations. ILLITERATE: Never Correct

ILLITERATE: Never Correct

## Principal Speaks On Vocational Opportunities

On Tuesday, January 5, 1965, our principal, Mr. Charles M. McCurdy gave a short talk to the senior high students about vocational opportunities that are offered at Lake Shore High. Some of the opportunities that he mentioned are Clerical work, mechanical work, home-making, masonry and Agri. Some of these courses are required and others are being offered for the benefit of the students. Mr. McCurdy feels that too many students are neglecting to take advantage of their school opportunities.

Mr. McCurdy said that too many students are neglecting to take advantage of their school opportunities. Mr. McCurdy said that too many students are neglecting to take advantage of their school opportunities.

Mr. McCurdy said that too many students are neglecting to take advantage of their school opportunities. Mr. McCurdy said that too many students are neglecting to take advantage of their school opportunities.

## With The Classes And Organizations

### THE SENIOR CLASS

The members of the senior class are planning to celebrate after mid-term exams with a "Half-Way" ball.

A benefit Valentine party for seniors, juniors and company is being planned by the senior class. The receipts will help finance the senior trip.

The ring ceremony is tentatively scheduled to be held during the month of February.

### NEW HOMEOWNERS OF AMERICA

Members of the N. H. A. are busily making plans to attend the Florida State Fair in Tampa, Florida on February 5, 1965.

The group will charter a bus and will be under the supervision of Miss Bess and Mrs. Mack the sponsors.

### THE STUDENT COUNCIL

The sponsor and members of the Student Council would like to thank the entire Lake Shore High School staff for their cooperation with the Christmas Mail box activity.

Over 2,000 cards were distributed by the council "mail men."

### THE HONOR SOCIETY

During the early part of the Christmas holidays, the Hazel M. St. Clair Chapter of the National Honor Society of Lake Shore High School gave the children at Belle Glade Memorial Hospital a Christmas basket. The basket contained boxes of candy, fruits and nuts. Grown ups were given Christmas cards. Participants were: Lamar Williams, Mary Smith, Elsie Weid, Ethel Monroe and Joseph Johnson. The activity was supervised by Miss Melis, the sponsor.

—Mary Smith

The principal of the importance of agriculture in this, our farming community.

Farming offers a great challenge to anyone who will take advantage of the opportunities offered in agriculture.

Other persons participating during this assembly program were Mrs. Grear and Miss K. Sneed.

Lottie Mann

## Blind Thoughts

How often have I lay on this sliver pillow and heard the passing of cars, buses, trains, and yes, even people?

I have eyes and cannot see, a brain that functions only with four senses and the loss of sight is a lack. My eyes, I have shed tears and yet cannot see the beauty of nature. Why God? Oh, why?

Standing at the window, I hear the clatter of shoes on the pavement below and thumps of the my feet of pigeons. I say myself, oh, how beautiful it must be to see the array of colors worn by the passer-by. The smell of the polluted air turns the stomach and the thumps of the my feet of pigeons. I say myself, oh, how beautiful it must be to see the array of colors worn by the passer-by. The smell of the polluted air turns the stomach and the thumps of the my feet of pigeons. I say myself, oh, how beautiful it must be to see the array of colors worn by the passer-by.

—Mary Milligan

## COMING SOON

The Allen University Chorus. For the last past three years, Lake Shore High School has sponsored a program featuring the Allen University Chorus of Columbia, South Carolina. On January 26, 1965, the members of the Lake Shore High School Student Patrol will again present this group in concert.

The program is designed and presented to be a cultural event for the student body and the community. The funds from the program will help the patrol group make a trip to Washington in the spring. Everyone is invited to attend this Cultural affair.

### Granny Advises:

Dear Granny,  
I know Christmas has gone by but I had the hardest time trying to buy a gift for my boyfriend. I was told that a girl should not accept gifts of clothing from a boy, nor should she give such gifts.

Bought-Out

Dear Bought-Out,  
This matter of gift-giving is one of great controversy. It really depends upon the personal opinion of the individual. However, it is accepted by society that neither boys nor girls should give or receive gifts that are too personal such as skirts, dresses, underwear, etc., or gifts that are too expensive.

Personal gifts may tend to give the giver a feeling of personal possession. A gift such as a sweater is not considered personal; so it is permissible to give your friend a sweater, but let the price be reasonable and within your means.

Granny

Dear Granny,  
My girl thinks that I go with one of her classmates, but I don't. What makes the matter worse is that the girl whom she thinks I go with is going with my best friend. What can I do?

Troubled

Dear Troubled,  
You stated that your girlfriend believes you go with her classmate. Have you displayed any feelings or emotions that would give her this idea?

Granny

## Student Of The Week

Seventh graders who are considered and often referred to as new comers at Lake Shore High School are usually quiet and busy trying to get acquainted with other students and the school. Even though they are newcomers, some adjust easily and buckle right down to work.

This week a newcomer, Ernestine Brown, has been chosen Student of the Week. Ernestine is a native of Belle Glade, Florida. She was born April 9, 1952 to Mr. and Mrs. Augustine Brown.

Ernestine Brown is known to most of us because she made the honor roll for the first two marking periods and because of her majorette talent. She is also an active member of the Junior Dramatics Club.

We challenge all seventh graders to do as well or better than Ernestine Brown.

### Mimi's Column

I wish everyone a prosperous year. I spent my holidays enjoying the latest fads, fashions, movies; gossiping; trying to get the latest for you.

The following subjects are the most controversial at the present time:

TRANSPORTATION — Earl-

hell Allen's Immo-

MUSCULAR EXERCISE —

to Security and "The Jerk"

HAIRSTYLES — Alberta Ches-

time and Annie Mae Bell.

EDUCATORS — Mr. Phillips

and Miss Sneed

COURSE — Himmeking II

MR. ESQUIRE — Chester El-

don

MISS VOGUE — Ruby Hender-

son

LOVERS — Emma Davis and

Neel Hamilton

HANGOUT — Peterson's Place

SWING SOUND — "A Change

Gonna Come"

ROMEO — Leroy Miller

MR. MASCLINE — Ronald

Cooke

BEATNIN' — Jerry Roberts

Be careful and beware of

haste for I might change my

pace

— Mimi

### Cage Yells—

Each student is asked to learn the following yells by the time of the next home basketball game.

(1) Basket, Basket, Basket boys

Yea! Yea! Yea! Yea!

We make the noise.

(2) Messing with the Bobcats

I put my head on the track

I saw the Bobcats coming

I took my big head back

You know the river is wide

I went stepping by the side

When I was up, I was up

When I was down, I was down

When I mess with the Bobcats

I was up-side-down

(3) We go to a BOBCAT chair

We live by the BOBCAT rule

We sit in the BOBCAT chair

We don't BOBCAT care

(4) Purple socks, Gold socks,

Rubber sole shoes,

Let's give all the teams

That small ones

Cheerleader Captain

Keep Belle Glade

Clean

## Tips To The Females

### LADIES:

If you have an interesting hobby? Hobbies can develop a talent, offer educational experiences, and act as a means of relaxation and enjoyment during your spare time. Hobbies are of four types: (1) collections, (2) do-it-yourself and handicrafts, (3) the arts, (4) games and sports. If you don't have any specific thing that you like to do, perhaps the following list will help.

1. Collecting dolls
2. Collecting stamps
3. Collecting rocks
4. Collecting coins
5. Photography
6. Painting
7. Needlework
8. Music
10. Reading

The above are only a few of the many hobbies enjoyed by people of all ages all over the world.

It has been found that needlework is a relaxing hobby for a girl. It includes several phases: crocheting, knitting, sewing, hem stitching, embroidery and others.

Check your hobby. Are you making the most of your leisure time?

### Think It Over

"If you don't have time to do it right, when will you have time to do it over?"

"When in doubt, do the friendliest thing."

—Taken from Read

### All-Conference Players

To make the all conference team for the '64-'65 football season. The players were James Freeman, 11th grade, left end; Lee Luther Glass, 11th grade, defensive guard and offensive end; Willie Benjamin, 12th grade, quarterback and defensive halfback.

### Youth

The age of youth is a wonderful time. It is the age when troubles are few or maybe none. The age when one can act silly and foolish. Not forgetting goals and aims to accomplish.

The age when birthday parties and frolicking means so much.

When holidays and loafing add a special touch.

'Tis the age which a rich man would pay for with all his gold.

Or the wise old man all his wisdom, I'm told.

So those of you in this age category:

Don't abuse —

Don't hasten —

Don't Rust —

This phase of glory.

— Mimi

## SUCCESS NEWS! AMBASSADOR BY RAMBLER

Sales up 110%...greatest increase of any 1965 car!

Read the reasons why:

Ambassador 990-H Hardtop

### reason one:

Advanced styling. Ambassador's glamorous new styling came out first against all direct competitors in a survey of the first major show of 1965 cars. Look at the sweepingly changed Ambassador. Spectacular new size and length. New power, including big V-8 option. New sporty options like wire wheel covers, reclining bucket seats, and other sports equipment.

### reason two:

Extra Value. The '65 Ambassador keeps all the solid Rambler virtues and extra-value features such as Double-Safety Brakes (separate systems, front and rear), Deep-Dip roofstrengthening, Advanced Unit Construction, Gyroscopic Amorsed exhaust system, Cold Spring seats, Weather Eye Heating and Ventilating and more—all standard at no extra cost!

### reason three:

Low Maintenance Costs. High Reliability. The Ambassador, like any Rambler, makes sense when you buy it, returns more in trade. You'll find all the reasons "why" in the '65 Car X-Ray Book. 48 pages with side-by-side comparisons of fooding '65 cars. Can save you hundreds of dollars in the purchase of your next car. Free at your Rambler dealer.

American Motors—Dedicated to Excellence

The 3 Sensible Spectaculars—RAMBLER '65

AM-5500-CR—Lowest cost model of the new Rambler • C-1550—New Intermediate-Size Rambler • C-2500-CR—The Complete Rambler
